Mutual Confidentiality & IP Assignment

1. Confidential Information

Includes non-public information about Company products, code, data, designs, roadmaps, business plans, users, pricing, and any information marked or reasonably understood as confidential.

2. Obligations

Use only for internship purposes; do not disclose to third parties; protect with reasonable care; return or destroy upon request; no reverse engineering.

3. Exclusions

Public information; already known without duty; independently developed; or disclosed by a third party without duty.

4. IP Assignment

Intern assigns to Company all right, title, and interest in work product created in the scope of the internship or using Company resources; will assist with filings at Company expense.

5. Third-Party Code/Data

Do not introduce code or data that imposes open-source or paid licensing obligations without prior written approval.

6. No License / No Employment Guarantee

No license under Company IP is granted; internship is at-will; no promise of future employment.

7. Injunctive Relief

Company may seek injunctive relief for breach in addition to other remedies.

8. Term & Survival

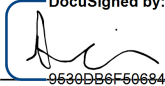

Obligations last for 3 years from disclosure; trade secrets survive while they remain trade secrets. IP provisions survive indefinitely.

9. Governing Law

Arizona law, without regard to conflicts rules.
